# The 21<sup>st</sup> Annual Safety Seminar for Underground Stone Mines

Ramada Plaza Bluegrass Parkway • Louisville, KY

December 6-7, 2016

This safety seminar will provide an update on issues and research relevant to the health and safety of underground stone miners. Regulatory developments will be included among the topics discussed, as well as their impact on the underground aggregates industry.

**Still the only national meeting primarily focused on  
underground stone mining.**

The meeting begins December 6<sup>th</sup>, 2016 at 4:00 pm with a workshop. On December 7<sup>th</sup> the meeting continues, starting at 7:30 am with presentations on a variety of health and safety subjects. The seminar adjourns at 4:15 pm.

**You will receive a seminar registration email by mid-October.  
There is no fee for this seminar but you must register to attend.**

**For more information contact Michael Murphy ([mmmurphy@cdc.gov](mailto:mmmurphy@cdc.gov))  
or Brent Slaker ([bslaker@cdc.gov](mailto:bslaker@cdc.gov))**
